Important things to remember regarding acupuncture treatment:

1. Please bring or wear loose clothing (shorts, t-shirts) to each appointment.
2. Please eat a light meal or snack before your appointment; an empty stomach may cause dizziness.

What to expect at your first visit?

Your first visit will take approximately one hour and will include an acupuncture treatment. We will discuss your health questionnaire and any concerns you have prior to the treatment. I will come up with a diagnosis, a treatment plan and a few suggestions regarding your condition.
